

2026 Patriots Massachusetts High School 5 on 5 Flag Football

Updated: April 6, 2026

The Patriot Flag Football Playing Rules were condensed by Tom Brow, ANEFO Board Interpreter.

One-Way Field Differences:

- a. Starting possession will begin at the 40-yard line
- b. There are no safeties. Ball will be spotted at the 40 with a change of possession.
- c. The ball will never start further back than the 40-yard line.
- d. Interceptions are dead balls and will be spotted at the 40-yard line.
- e. Home and away teams should be on opposite sidelines.
- f. All rules supersede rulebook
- g. 'A declaration to 'PUNT' is final.

1. At the start of each game, captains from both teams meet at midfield for the coin toss to determine who starts with the ball. The **visiting team** calls the toss. **Home team** calls the toss during an overtime

2. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. There is no option to defer. The team that started the game with possession will begin the 2nd half on defense. **NOTE - Exception:** Games will be played on one side of the Football Field (see One Way rules below)

3. The offensive team takes possession of the ball at its 40-yard line and has four (4) downs to get a first down at the 20-yard. And (3) downs to score a touchdown once inside the 20-yard line.

- Any time there is a ‘PUNT or PLAY decision on 4th or 3rd down, the referee WILL ask the offense’s Head Coach to declare ‘Punt or Play’. The coach MUST make an immediate decision or risk a delay of game penalty.

- Teams may use a timeout to change the declaration of “Play” at any time prior to the expiration of the play clock. Only ONE timeout per half. No timeouts in overtime.

EQUIPMENT

1. All players must wear official NFL FLAG belts and flags. All players MUST wear **mouth guards** at all times while on the field. Game balls should be age specific.

2. Players must wear shoes. Cleats may not be allowed at certain locations. This will be specified by your league organizer or site director. However, cleats with exposed metal are never allowed and must be removed.

3. Players may tape their forearms, hands and fingers. Players may wear gloves, elbow pads and knee pads. Braces with exposed metals are not allowed.

4. Players **must remove all jewelry** and **hats**. Headbands or winter beanies are allowed.

5. Players may wear soft shell helmets, halos and sunglasses but they must be secured at all times while on the field. Prescription glasses are permitted without a strap.

6. Players’ **jerseys must be tucked into shorts or pants**, if they hang below the belt line.

7. We recommend players wear shorts or pants that do not have pockets or belt loops. Games will not be delayed for a player to tape their pockets.

8. Participants must bring their own official NFL FLAG belts and mouth guards to the field. Extra belts and mouth guards may be available for purchase.

9. NFL FLAG footballs will be provided. Flag belts and flags **cannot be the same color as the player’s shorts or pants**.

10. Electronic communication between any player with their coach or spectator for their team is prohibited. If a team or individual is using electronic communication with a player or coach, at any time, that team will be disqualified immediately from play. This does not limit possible additional discipline at the sole discretion of the local league organizer OR NFL FLAG Tournament staff.

ONE WAY FIELD (NOTE Mass. HS Club will play on ONE WAY FIELD)

One-Way Field Differences:

- a. Starting possession will begin at the 40-yard line
- b. **There are no safeties.** Ball will be spotted at the 40 with a change of possession.
- c. The ball will never start further back than the 40-yard line.
- d. **Interceptions are dead balls** and will be spotted at the 40-yard line.
- e. Home and away teams should be on opposite sidelines.
- f. All rules supersede rulebook
- g. 'A declaration to 'PUNT' is final.

Field Dimensions and Layout Two standard field size options:

Width: 25 yards wide × Length: 40 yard line to the end zone.

1. Both field layouts will have a midfield - 20 yard line to gain for a first down. 'No Run Zones' are located 5 yards prior to midfield and 5 yards prior to the opponent's end zone.

NOTE - Exception: Start at the 40 yard line. Only one first down at 20 yard line.

2. Stepping on the boundary line is considered out of bounds.

3. 'No Run' Zones are in place to prevent teams from conducting run plays. While in the 'No Run' Zones, teams cannot run the ball across the line of scrimmage. All plays must result in a forward pass across the Line of Scrimmage.

NOTE - Exception: Must be a pass play between 25-20 yard line and must be a pass play between 5 yard line and the goal line (5-0 yard line).

4. The referee will spot the ball in the middle of the field prior to the 'Ready to Play' whistle. The ball may NOT be closer than 10-yards to any sideline.

NOTE - Exception: Referee may indicate where the center shall snap the ball.

Timing and Overtime

Regular Season Games are played on a 48-minute continuous clock with 2 - 18-minute halves, unless one team gains a 35-point advantage, which will end the game. Teams can agree to continue without changing the score. The clock stops for halftime, injuries and at the Officials' discretion.

NOTE - Exception: Games will be 18-minute halves. Teams will have 3 – 30 second time outs per game. A total of 36-minute games.

Halftime is 1 minute.

Once the ball is spotted, a team will have 40 seconds to snap the ball.

Teams will have one 60-second timeout per half. They do not carry over.

Officials will stop the clock for team timeouts, player injuries and at their discretion.

If the score is tied at the end of regulation play, an overtime period will be used to determine the winner.

Overtime format is as follows:

- Home team calls the coin toss to determine the team that chooses to be on offense or defense first.
 - If a second round of overtime must be played, the team that lost the coin toss will get to choose offense or defense for the start of the second round of overtime. This process continues with teams alternating the choice to be on offense or defense to start every round of overtime.
 - The referee will determine which end of the field the entire overtime will be played.
- a. 1st OVERTIME: Each team will get one (1) play from the defense's 5-yard line for one point or the defense's 10-yard line for two points. Each team has the choice to go for 1 or 2 points in the first OVERTIME PERIOD ONLY.

Example: Team A starts on offense and chooses to go for one point from the 5- yard line and is successful. Team B is then on offense and can choose to either go for one point from the 5-yard line to tie and force a second round of overtime or to go for two points

from the 10-yard line for the win. If the second team on offense in an overtime round fails to beat or match the team that went first, the game is over.

b. Starting with the 2nd overtime, both teams must attempt a 2 point conversion from the 10-yard line.

c. Starting with the 3rd overtime, each team will get **1 play from the 40 yard line**. The team with the most yards will be the winner. The team with the most yards will be awarded 1 point added to their final score.

d. The Final Score will be recorded to include all points scored in the overtime periods. e. All regulation period rules and penalties are in effect.

f. There are no timeouts in overtime. Each team will be afforded one (1) ‘coaches challenge’ for the entire overtime session. Challenge **MUST** be a misapplication of a rule, **NOT** a judgment call by an official.

g. Interceptions are **NOT** returnable for a score in OT.

SCORING

1. Touchdown: 6 points

2. PAT (point after touchdown) 1 point (5-yard line) or 2 points (10-yard line). A 1 point extra point is pass only; 2 point extra point can be a run or pass.

3. Interceptions are **dead**.

4. Safety: 2 points **NOTE - Exception: No safety in One Way Fields**

5. A team that scores a touchdown must declare whether it wishes to attempt a 1-point conversion (from the 5-yard line) or a 2-point conversion (from the 10-yard line). Any change, once a decision is made to try for the extra point, requires a charged timeout. A decision cannot be changed after a penalty.

6. When 1 team is winning by 35 points or more, the game is over.

7. Forfeits will be scored 35-0 for the winning team.

8. The coaches, officials and scorekeeper must verify the score sheet. If a coach does not verify the score sheet before leaving the field, the scorekeeper will note on that score sheet and the score will be FINAL.

LIVE BALL - DEAD BALL

1. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
2. The official will indicate the neutral zone and line of scrimmage. It is an automatic **dead ball foul** if **any player** on defense or offense enters the neutral zone. The game officials may give teams a “courtesy” neutral zone notification to allow their players to move back behind the line of scrimmage.
3. A player who gains possession of the ball in the air is considered in bounds, as long as the **first foot** or a body part **other than the hand**, contacts the ground in the field, while maintaining possession.
4. Substitutions may be made during any dead ball period.
5. The defense may not simulate the offensive team signals by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. Other unfair acts would be; not returning five (5) eligible players to the field of play after halftime, a team or officials' time out prior to the ‘Ready to Play’ signal by the referee. This will result in an unsportsmanlike conduct penalty on the Head Coach.
6. Any official can whistle the play dead. Play is ruled “dead” when:
 - a. The ball hits the ground it is dead. If the ball hits the ground as a result of a snap, backwards pitch or lateral, the ball will be placed where the ball hit the ground.
 - b. The ball-carrier’s flag is pulled.
 - c. The ball-carrier steps out of bounds.
 - d. A touchdown, PAT or safety is scored.
 - e. The ball-carrier’s **knee, shin, leg, forearm or arm** hits the ground.
 - f. The ball-carrier’s **flag falls out**.
 - g. The receiver catches the ball while **in possession of 1 or 0 flag(s)**.
 - h. The 7 second pass clock expires.
 - i. Inadvertent whistle
 - j. No Jumping. Ball-carrier **may not** leaves their feet to dive, jump or hurdle a player. (Exception: A PLAYER CAN DIVE TO CATCH A PASS OR PULL A FLAG)

NOTE: Fumbles/loss of possession: Ground contact must be made for the play to be dead at that spot. A fumble is loss of possession by a player, resulting in the ball contacting the ground.

7. If an inadvertent whistle occurs, the team in possession has two options: Take the ball where the whistle blew and the down will count. Replay the down from the original line of scrimmage. If an IW occurs on the last play of the half or game, the offense will be awarded one untimed down and given those two options.

8. A team is allowed to use a timeout to question an official's rule interpretation. If the official's ruling is correct, the team will be charged a timeout. If the rule is interpreted incorrectly, the timeout will not be charged and the proper ruling will be enforced.

RUNNING GAME

1. The ball is spotted where the ball is when the flag is pulled.

2. The **quarterback cannot directly run** with the ball across the Line of Scrimmage. The quarterback is the offensive player who receives the snap under center directly or in shotgun formation. If the QB wants to run with the ball, the QB must lateral or hand the ball off first, then get the ball back (a second pitch or handoff) before a QB can run.

3. Direct handoffs, pitches, and laterals are permitted behind the line of scrimmage only. If this takes place, after the ball carrier crosses the line of scrimmage, the play is to be blown dead by the official. The ball shall be placed at the spot possession was lost for the next play.

- The "Center sneak" play is **NOT allowed**. The QB may NOT handoff, pitch or lateral the ball first to the center.
- Any player who receives a handoff, backward pass, pitch or lateral can throw the ball from behind the line of scrimmage.
- Once the ball has been handed off, in front, behind or to the side of the quarterback, or a backward pass, pitch or lateral has occurred, the 7-second passing clock is eliminated and all defensive players are eligible to rush.

4. Definition of a "Legal Handoff" - Total loss of possession directly from 1 offensive play to another.

5. Teams are not allowed to run in the 'NO RUN ZONES' - Must be a **pass play between 25-20 yard line and must be a pass play between 5 yard line and the goal line (5-0 yard line)**.

6. Runners are **not** permitted to jump, leap or hurdle, in the officials' judgment, while advancing the ball. The play is to be blown dead and the ball spotted where the jump, leap or hurdle occurred.

7. Ball carriers may leave their feet and the play will continue for spinning, jump cuts, QB's passing or if there is a clear indication that he/she has done so to avoid a collision with another player. The play will continue without stoppage. However, if while leaving the ground, illegal contact is made, a penalty may be enforced by the official.

8. **No blocking or “screening” is allowed at any time.**

9. Offensive players in close proximity of the ball carrier **must stop** their motion **once the ball has crossed the line of scrimmage.** No running with the ball carrier.

10. Flag obstruction – All jerseys **MUST** be tucked in before play begins. The flags must be on the player’s hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding.

11. **Once the ball is advanced beyond the LOS, the current ball carrier is the only player allowed to have possession of the ball** until the play is dead.

PASSING GAME

1. Only 1 forward pass, thrown from behind the line of scrimmage, is permitted each offensive play. The ball must be released prior to crossing the line of scrimmage. There can be unlimited backward passes **behind the line of scrimmage.**

- There is **no intentional grounding.** The quarterback may throw the ball anywhere across the line of scrimmage to avoid a sack.
- All forward passes that do not cross the line of scrimmage are illegal forward passes, unless touched by a defender. **All forward passes must go beyond the line of scrimmage.**

2. Shovel passes are allowed and must be a forward pass, from behind the line of scrimmage, and **received beyond the line of scrimmage.**

3. The quarterback has a **7 second “pass clock.”** If a pass is not thrown within 7 seconds, the play is dead, the down counts and the ball is returned to the line of scrimmage. Once the ball is handed off, pitches or laterals behind the line of scrimmage, the 7 second rule is no longer in effect.

- If the QB is standing behind the 40 yard line at the end of the 7 second clock, the ball is returned to the line of scrimmage (LOS) and it will be the next down.
- If the quarterback throws the ball and then catches it, the **play is dead** and treated like an incomplete pass.

RECEIVING

1. All players are eligible to receive passes (including the quarterback if the ball has been handed off, pitch or lateral behind the line of scrimmage).

2. A player must have at least one foot or other body part in bounds, contacting the ground first with possession.

3. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.

4. **Interceptions are NOT returnable.**

RUSHING THE PASSER

1. All players who rush the passer must be a minimum of 7 yards from the line of scrimmage when the ball is snapped. Up to two (2) players can rush the quarterback. Rushers **MUST** identify themselves by **raising their hand before the snap**. Rushers **MUST** rush the passer immediately after the snap.

Delayed rush is NOT permitted. Players not rushing the quarterback can defend the line of scrimmage.

2. Once the ball is handed off, pitched or lateral backwards behind the line of scrimmage, all defenders may cross the line of scrimmage to defend and pull the flag.

3. A special marker, or the game official, will designate a rush line 7 yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play. A legal rush is:

- Any rush by the 1 or 2 designated rushers, 7 yards from the line of scrimmage.
- A rush from anywhere on the field **AFTER** the ball has been handed off, pitched or thrown backwards by the player receiving the snap. A penalty may be called if:
 - The rusher leaves the rush line before the snap and crosses the line of scrimmage before a handoff, pitch, lateral or pass – **Illegal rush** (5-yards from the line of scrimmage and first down).
 - Any defensive player crosses the line of scrimmage before the ball is snapped – Encroachment (5-yards from line of scrimmage and **first down**).
 - Any defensive player not lined up at the rush line crosses the line of scrimmage before the ball is passed, pitched, lateral or handed off – **Illegal rush** (5-yards from the line of scrimmage and **first down**).
 - If the offense draws the identified rusher(s) across the 7 yard marker prior to the snap of the ball, the rusher(s) **CANNOT** legally rush. Jumping the rush is not a penalty until the rusher crosses the line of scrimmage prior to a handoff, pitch, lateral or forward pass. Teams are never required to rush the quarterback with the 7 second clock in effect

4. Players rushing the quarterback may attempt to block a pass; however, contact to the QB, unless ruled incidental by the official, would result in a **roughing the passer penalty**.

5. The **offense cannot impede the rusher's PATH** to the quarterback, regardless of where they line up prior to the snap. The **PATH** is set pre-snap from the rusher or rushers directly to the QB. **PATH** does not move once the quarterback moves. If the "path or line" is occupied by a moving offensive player, then it is the offense's responsibility to avoid the rusher. Any disruption to the rusher's path and/or contact will result in an 'Impeding the Rusher' penalty. If the offensive player does not move after the snap, then it is the rusher(s) responsibility to go around the offensive player and avoid contact.

6. A sack occurs if the quarterback's flags are pulled behind the line of scrimmage. The ball will be spotted where possession of the ball is when the flag is pulled. No safety with One Way Fields

FLAG PULLING

1. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
2. Defenders can dive to pull flags but **cannot tackle, hold or run through the ball carrier** when pulling flags.
3. It is **illegal to attempt to strip or pull the ball** from the ball carrier's possession at any time.
4. If a player's flag inadvertently **falls off** during a play while that player has possession, the player is **down immediately and the play ends**. The ball is placed where the flag lands.
5. If a player who has **one or no flags** on their belt takes possession of the ball, the play is **dead** at that spot on the field.
6. A defensive player may not intentionally pull the flag(s) off a player who is not in possession of the ball.
7. **Flag guarding** is an attempt by the ball carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, ball, arm or shoulder or intentionally covering the flags with the football jersey.

FORMATIONS

1. Offenses must have a **minimum of one player on the line of scrimmage** (the center) and up to four players on the line of scrimmage. The quarterback must be off the line of scrimmage. **NOTE: Five on Five**
 2. Movement simulating the snap, by a player who is set, is considered a false start.
 3. The center must snap the ball with a rapid and continuous motion between his/her legs to a player in the backfield, and the ball must completely leave his/her hands.
- **Only one player is allowed in motion** when the ball is snapped. The player **MUST** be in motion, off the line of scrimmage. All motion must be parallel or backwards to the line of scrimmage when the ball is snapped.
- **Players may shift** positions on offense at any time, all players **must still reset for 1 second, prior to the snap.**

UNSPORTSMANLIKE CONDUCT

1. If the field monitor or game officials' witnesses any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the **player will be ejected from the game**. The decision is made at the game officials' discretion. No appeals will be considered. **INTENTIONAL PHYSICAL PLAY WILL NOT BE PERMITTED!**

Offensive or confrontational language is NOT allowed. Officials have the right to determine offensive language. If offensive or confrontational language occurs, the officials' will penalized for unsportsmanlike conduct and determine if an ejection is warranted.

Players or Coaches may not physically or verbally abuse any opponent, coach or game official.

Ball-carriers MUST make an effort to avoid defenders with an established position.

2. **Defenders must give free releases off the line of scrimmage** to offensive players and are not allowed to run through the ball carrier when pulling flags. Offensive players may NOT initiate contact at the line of scrimmage with defenders.

3. Fans must also adhere to good sportsmanship as well:

- Fans should cheer on their players only, not harass officials or opposing team.
- Comments must be clean and profanity free.
- Compliment ALL players, not just one player or team.
- Fans are required to keep fields safe and kids friendly and adhere to league requirements for seating: Keep younger kids and equipment such as coolers, chairs and tents a minimum of 10 yards off the field in the end zone area.
- Stay in the end zone area, not between fields.
- Dispose of ALL trash in designated trash cans.

UNSPORTSMANLIKE PENALTIES

1. Defensive penalty +10 yards from the dead ball spot and an automatic first down

2. Offensive penalty -10 yards from the dead ball spot and a loss of down

3. Two (2) unsportsmanlike penalties on any player or coach in a game result in a disqualification and may lead to additional discipline.

PENALTIES

The game officials' will administer all penalties.

The officials will determine incidental contact that may result from the normal run of play.

All penalties will be assessed from the line of scrimmage, except as noted. (Spot fouls)

Only the team captain or head coach may ask the referee questions about rule clarification and interpretations.

Games or halves may not end on a defensive penalty unless the offense declines it.

Penalties are assessed live ball then dead ball.

Live ball penalties must be assessed before play is considered complete.

Penalties will be assessed half the distance to the goal yardage when the penalty yardage is more than half the distance to the goal.
